

MoG 2ndSkin 8108B

reinforcement of the crotch between index finger and thumb makes the glove more durable while handling (e.g. reloading)

knuckle protection for impact protection

U-shaped fingers enabling ultra dexterity and finger sensitivity

special seamless design of index finger for extreme precision

back of hand in spandex nylon for high comfort and breathability

liquid repellent leather prevents infiltration of blood, sweat or urine into the glove

short cuff with cutout for watches increase the wearing comfort

loop (on the inside) for easy fixing on a belt or uniform

cut resistant lining for secure protection against assaults or cuts

heat resistant and flame-retardant lining prevents burns in case the loop of the weapon is retained
